National Youth Savings Challenge **2014**

** The National Youth Saving Challenge is open to all youth under 18 who visit a participating credit union during April. While youth are encouraged to make a deposit at the credit union, no deposit is required to enter. Limit one entry per person. On May 14, 2014, the Credit Union National Association (CUNA) will randomly select 25 participating credit unions to each receive one $100 award. Each credit union will then randomly select one winner from its entrants. Your credit union will notify you if you are a winner. The odds of winning will depend on the number of entrants. A list of the winners will be posted on the CUNA website on or after May 16, 2014. This contest is void where prohibited.*
