## Buzz Club Summer Savers' Program Guidelines

The following are the guidelines for Bronco FCU's Summer Savers' Program for the summer of 2009.

Each Buzz Club member that registers for the program will receive a passbook. This passbook will be used to record deposits made to the participant's Buzz Club Account at one of our locations. The participant will receive one point for each dollar that is deposited during the program. There will be opportunity to earn bonus points if the child is present when the deposit is made. The points earned during the program will be transferred to a certificate redeemable for prizes at our annual Paint Your Pumpkin event held in October.

- Program dates are June 8, 2009 through September 4, 2009.
- Participants will earn one point for each dollar deposited in person at one of our locations during the program.
- Passbooks will be stamped at the time of the deposit by the Bronco employee. If the child is present at the time of the deposit the employee will add a stamp that will award 5 **bonus** points for the child being present. This will be the only record kept of the **bonus** points, so it is important to keep the passbook and bring it along when making deposits.
- We will also offer 10 bonus points to any participant that fills a snack size Ziploc bag with aluminum can tabs for the Ronald McDonald Pop Tab Program. These can be turned in at our Annual Meeting July 11. They can also be turned in through September 4 at any of our Bronco locations.
- All deposits must be made in person. Any electronic deposits or transfers do not count towards the Summer Savers' Program.
- There is a minimum of \$25 in deposits, which must remain in the account, during the program to qualify for prizes.
- Passbooks should be turned in to any Bronco location by September 18. Participants will in turn be mailed certificates for all points earned during the program.
- These certificates can be redeemed for prizes at Paint Your Pumpkin in October. We will have an alternate date to redeem prizes if the participant is unable to attend the Paint Your Pumpkin event.
