Help us process your balance transfer requests faster by following these guidelines: 1) To completely pay off your card(s), tell us the exact amount you owe (including charges that may not be on your latest statement); 2) Do not indicate "Pay in Full"; and 3) Do not include dispute amounts in your balance to be transferred. If space is required for additional credit cards, please list the account information on the back of this form.

By signing below, I/we authorize Bronco to verify the information on this request and to obtain credit information from a Credit Reporting Agency or others. The balance may be no less than \$100.00 for each card balance transferred. I/we authorize Bronco to pay off the balance(s) due to the above listed credit card companies by means of a CASH ADVANCE charged to my/our Bronco VISA Card. Cash advances are always subject to a FINANCE CHARGE from the date of the advance to the date they are paid off in full. I/we understand that if this authorization is not received by Bronco at least ten(10) business days prior to the due date, Bronco is not responsible for my/our late payment on the listed credit card accounts and this advance may not pay off the total amount due.
